Dear Mr. Morris:

RE: Permanent Loadout Facility, Genwal Coal Company, Crandall Canyon Mine, ACT/015/032-88A, Folder #2, Emery County, Utah

The Division requests concurrence for separate approval of the permanent loadout facility for the Crandall Canyon Mine. The permanent loadout facility plan is located within the five-year permit renewal package, which was forwarded to you on February 22, 1988.

The proposed permanent loadout facility will now be handled as a separate permit amendment. The Division plans to complete its review by June 20, 1988. Please provide any written comments you may have on this plan by that date.

If you have any questions, please contact James Leatherwood or myself.

Sincerely,

*Susan C. Linner*
